THEME: SERENITY IN UNCERTAINTY

Our lives during the COVID-19 (Coronavirus) pandemic have changed in so many ways. Social distancing, health screening, hand hygiene have become the new norm. Socialisation is a key essence that makes us human beings. Internal and external spaces have become re-defined as we express our creativity. We are seeking photographs that portray your lifestyle changes during this time. You might be spending more quality time with your friends and family, rearranged your house, or started a hobby. How have you unleashed your creativity and curiosity? Along with your photograph we want you to tell us, in a maximum 100 words, the thoughts and feelings behind your photograph.
